

DRESS FOR SUCCESS

#1. Bust out the iron, or the steamer... just say "NO" to wrinkles.

#2. Dress to impress. Casual clothes can reflect an "I don't care" attitude.

#3. Avoid the terrible TOOs: Too short, too tight, too low cut.

#4. Gentleman: Keep that manly facial hair neatly groomed.

#5. Keep it classic. Prom hair belongs in your high school yearbook.

#6. Go easy on the make-up. There's only room for one Lady Gaga on this earth.

#7. Don't over complicate. Too many accessories equal one big distraction.
